Run with Aha! Bring Love Back Home

Tet is the time to go home, but many students from storm-hit Central Vietnam can no longer afford the journey back. After Storm No. 14, families in Central Vietnam lost homes and income, leaving their children in **Ho Chi Minh City** struggling just to cover school and living costs. Every kilometer you run helps **Spiraledge Vietnam** fund **free transportation** so these students can return home and celebrate Tet with their loved ones.

REMINDERS AND RECOMMENDATIONS

Bib & Identification

- Bib numbers are unique for each runner and cannot be changed.
- Your bib must be worn visibly on the front of your shirt throughout the race.

On the Route & Safety

- The event shares certain roads with other users and vehicles, so please follow traffic rules and instructions from volunteers.
- Keep an eye on children at all times, especially in the Kids 1.1 KM area.
- If you feel unwell, slow down, move to the side, and seek help from the nearest volunteer or medical staff.

Hydration Stations & Waste

- Hydration stations will provide water, electrolyte drinks, ice, fruits, and basic medical supplies.
- Each distance will have clearly marked water stations along the route.
- Please help us keep the area clean by throwing cups and bottles into the trash bins placed at each station.

Belongings

- The organizers will arrange a belongings-keeping area near the main stage for runners.
- Avoid bringing heavy, valuable, or bulky items; we are not responsible for lost personal belongings.

Gifts & Finisher Rewards

- Every runner who completes their registered distance will receive an official Finisher Medal.
- Enjoy free food and drinks in the event area after your run.

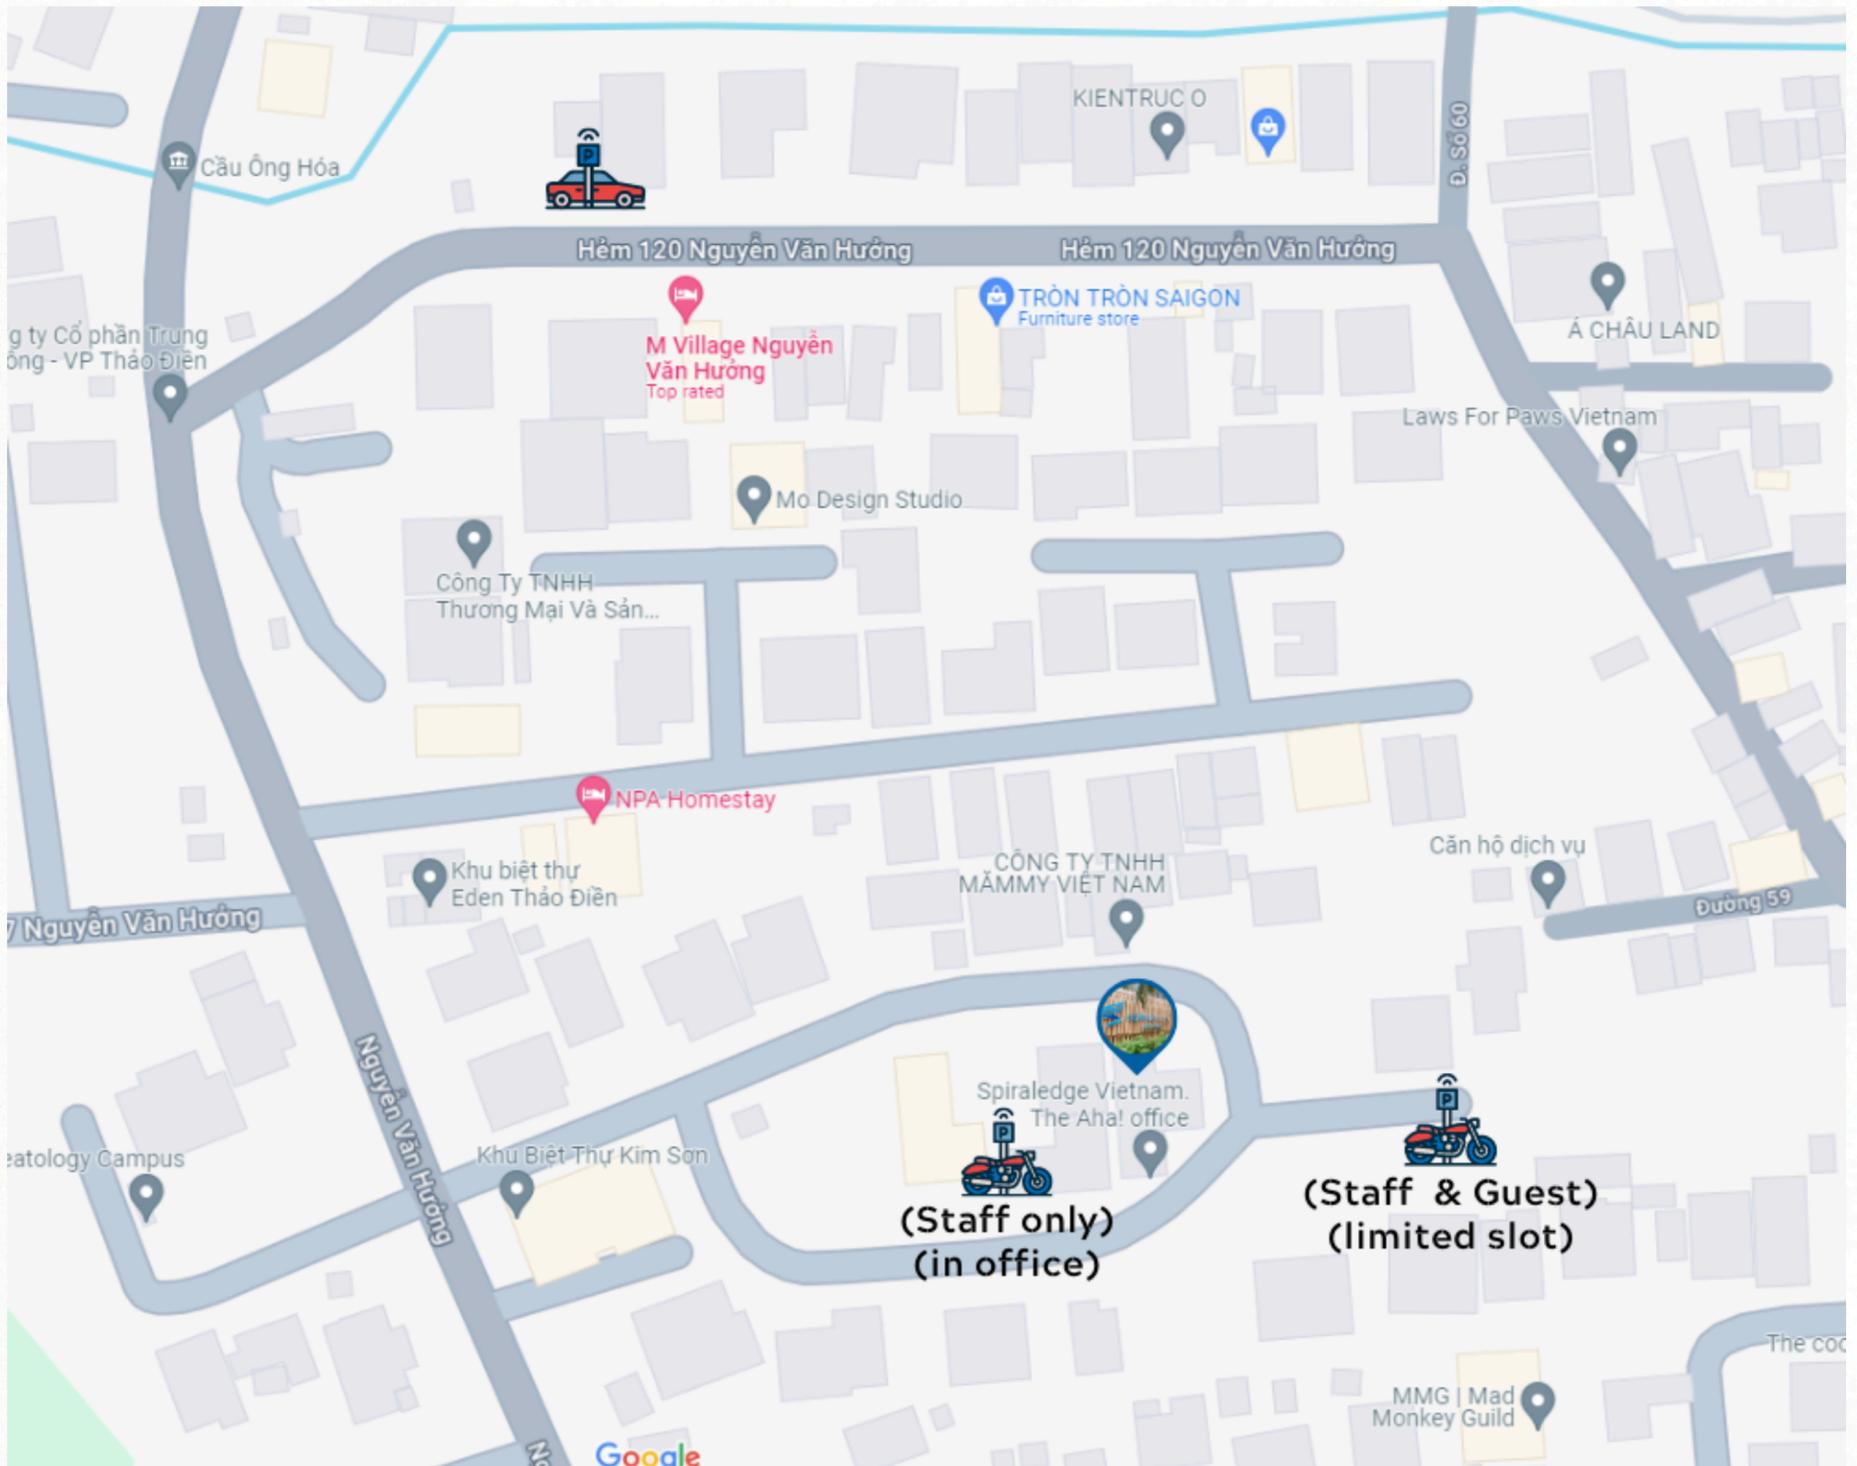

Parking & Arrival (Refer to the parking layout section of this guide)

- Volunteers at each parking area will guide you to the designated parking spots for motorbikes and cars.
- Parking slots are limited, so we recommend using ride-hailing services (e.g., Grab) where possible.
- Please arrive early (at least 45–60 minutes before your start time) to check in, warm up, and avoid congestion.

****By participating, you take full responsibility for your own safety, and the organizers accept no liability for any injury, loss, or damage.***
